MEMORANDUM FOR: Director of Administration
Director of Operations
Director of Materiel
Director of Communications

SUBJECT: Clearances for Use of TALENT Materials by AQUATONE Staffs and Consultants

1. It is obvious that certain members of the staffs of AQUATONE will from time to time in pursuance of their duties have a need to receive and examine the products of AQUATONE. These products, under our present arrangements, upon delivery to those in intelligence responsible for utilization come under the TALENT Control System.

2. In order to take care of immediate needs you are hereby authorized to permit personnel under your direction to see and utilize products of AQUATONE as actually required in pursuance of their duties. This authorization applies both to Headquarters and Detachment staffs.

3. Meanwhile, by 16 July the principal supervisors addressed in this memorandum will prepare and submit to the Agency TALENT Control Officer, James Q. Reber, a list of those under his supervision whose duties require access to TALENT materials. Upon receipt and approval of this list, TALENT security agreements will be provided for the signature of each authorized officer within the scope of this instruction. These security agreements as well as briefings on the TALENT Control System will be provided by [redacted] TALENT Security Officer for CIA. 25X1A
